

# F-PEY

## TRAFFIC SAFETY BOLLARD

### Product Features

- **Flexible Protection:** Our Flexible Bollards are perfect for managing traffic and safeguarding your premises, whether it's a busy office or an expansive warehouse.
- **Impact-Resistant:** Crafted from high-quality thermoplastic polyurethane, these bollards withstand vehicle impacts and effortlessly return to their original position.
- **High Visibility:** Featuring a bright red colour with reflective bands, our bollards are easily seen both day and night, enhancing safety for drivers and pedestrians alike.
- **360° Flexibility:** Designed to bend and move freely in all directions upon impact, Flexible Bollards minimise damage to both the post and vehicles.
- **Weatherproof Durability:** Made from TPU, these bollards resist harsh weather conditions, maintaining their integrity and functionality in all climates.

### Technical Specification

Model	F-PEY
