

FS-B3A - 12V3A  
FS-B5A - 12V5A

## UNINTERRUPTIBLE BACKUP POWER SUPPLY

### Product Features

- High performance simple interface power supply.
- Power status indicator light.
- Multi-functional access control output contact, can directly connect electric lock, switch, door bell, etc.
- Built-in with battery charger circuit that enables user to have battery back-up features with battery.

### Technical Specifications

Model	FS-B3A	FS-B5A
Material Shell	Iron material, painted	
Input Voltage	AC220V±20% / AC110V	
Output Voltage	12VDC	
Output Current	3A	5A
Delay Control	0-10 second (Automatic Protection Switching)	
Dimensions	203*162*72 (mm)	
Gross Weight	1.7kg	1.8kg
