

FT-9W

## ACCESS CONTROL PROXIMITY ID EM CARD READER

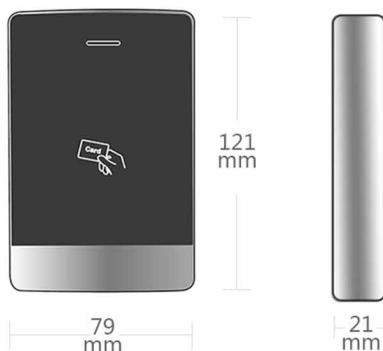

### Product Features

- Material: Metal Case.
- 10,000 user capacity.
- Operating way: Card access.
- Read 125Khz RFID EM card.
- Support admin add card, admin delete card and setting card.
- Relay outout: NO/NC/COM.

### Technical Specifications

Model	FT-9W
User Capacity	10,000
Card Type	EM(ID) card 125KHz
Open Mode	Card
IP Rating	IP65
Operating Voltage	DC 12~24V
Operating Current	≤100mA
Standby Current	≤35mA
Maximum Rated Current	≤1A
Door Opening Time	0-99s (Adjustable)
Operating Temperature	-20°C~60°C
Operating Humidity	0%~95%
Dimensions	121×79×21(mm)
