

F-886M9

LATCHING EMERGENCY EXIT BUTTON

Product Features

Latching emergency push button is used for AC 50Hz, 600V and DC 440V Electro magnetic launch, contactor, delay and remote control in other lines.

Technical Specifications

Model	F-886M9
Material	304 Stainless Steel Plate
Size	86L*86W*72H(mm)
Switch Rating	AC-15 120V/6A; 240V/3A; 480V/1.5A; 600V/1.2A DC-13 24V/6A; 48V/3A; 110V/1A; 220V/0.5A; 440V/0.25A
Button	Self-Latching
Heating Current	10A
Output Contact	NO/NC/COM
Contact Resistance	≤50mΩ
Ui(V)	600V AC
Electric Life	500000 times
Mechanical Life	3000000 times
Temperature	-25°C ~ +55°C
IP Rating	IP65
Weight	230g
